Welcome Back

Olive Dining would like to welcome you all back for another term and a huge welcome to all new students.

For those of you we haven't met yet, we are Olive Dining and we aim to provide healthy nutritious meals that your children will enjoy.

We've been really busy over the summer and have lots of changes to share with you; we've updated all of our menus with tasty, seasonal meal options, we have a whole year of theme days planned, one each month and we've also updated our website and app to make it easier than ever for you to check what's on.

Feedback is always welcome via enquiries@olivedining.co.uk

Meet the Team

We'd like to introduce you to our Chef Team: Calum, Jenny and Chris (pictured left), and our Operations Team; Kellie, Marita and Lisa.

They work with the schools to carefully choose all of the meals for our menus and plan our theme days to make sure there's an event to look forward to throughout the year.

If you have any queries about the menus or meals, including any questions about allergies or intolerances the team will be happy to help.

You can reach them via the details below

Download the App!

We introduced our app last term, if you haven't downloaded it yet, check it out today!

You'll be able to view and save the weekly menus, get our news directly to your phone and contact us directly.

It's now easier than ever to stay up to date on the food we're serving, the events we're running and updates from the company.

The app is available for iOS and Android phones, all you need to do is search for Olive Dining and download!
