

COPTA Cherry Orchard Parent Teacher Association

OCTOBER 2017

The first term of school is almost over..

Special Thanks

We raised over £250 at the Community Fun Day

What a success! Thanks to each and every parent/ carer that volunteered in the planning, set up, helping out on the stalls and clearing away; without you it would not have been a success. The enthusiasm and motivation is so moving, we all feel so proud.

Were you there on the day? We would love to hear about your comments/ feedback. Perhaps you have ideas about future events the PTA could organise or get involved with? Any fundraising ideas would be welcomed; we really do appreciate all the support we receive.

AGM reminder

Thursday 19th October, School Hall, 10am

A slight change of the time; The AGM will now take place **after** the Harvest Celebration assembly. All parents and Carers are welcome.

School Library

The library looks fantastic, thanks to all the lovely ladies that helped to sort out all the the books that had been donated to the school. Well done.

Halloween Fun

Friday 20th October 2017, 5.30pm to 7pm

We have had a brilliant response to our end of term family disco. It's going to be spooktacular..

If you have not yet responded and would like to attend it's not too late; please hand in return slips with cash only to a teacher or the school office. It is £5 per pupil or £10 for a family ticket.

Next Term

The PTA will be busy planning a Christmas event, we just need to finalise the date. Details will follow in next the next issue.

Hope you all have an enjoyable and happy half term break!
