Dear Parents

Ref: Holiday Club – Easter, Whitsun and Summer Terms

As you are aware, Cherry Orchard's Holiday Club provides a service to working parents who need extended school services outside of term time. I thought it would be helpful to let you know dates for our next sessions in advance, so you can plan your child's Holiday care arrangements through until September 2018.

To make this service viable, we welcome any COPA student who just wants to join in with the fun and games at odd sessions, but we do need to ensure we can cover the cost of outside coaches and providers as these can be expensive. I have already begun planning to bring in some new activities for the Easter Holidays, as well as reengaging with some of the exciting activities we had in last half term.

I am writing to ask if you would kindly let me know which students are planning to use the Holiday Club facilities and indicate which sessions you are interested in – so that we can make the appropriate arrangements. I fully appreciate that circumstances may change nearer the time, but would ask that you keep us informed accordingly so that we can make adjustments.

Attached is a list of School Holiday Club sessions for the Easter, Whitsun and Summer Terms; please could you return either to the Office, to me or via your child's class teacher, to enable me to engage outside providers at the most popular sessions. These dates will also be available on the website and you will be able to register on line during each term ahead of the forthcoming Holiday Club session.

Thank-you for your co-operation.

Your sincerely,

Mrs. S. Williams

Family Liaison Officer
