

# KS1 Homework

## This is your child's reading record book

What to use it for:

- Writing in the title of Library books that your child brings home to share (children visit our school library once a week)
- Writing the title of book band books and commenting on how your child has read
- Any notes or messages (Please ensure your child hands their book into their teacher if there is a message written in there)

*Please note that if your child does not return their book(s) on time they will not be given their new one.*

## This is your child's spelling book

New spellings will be given out on a Friday for your child to practise at home. Your child will need to return their spelling book by the following Thursday ready for their spelling test score to be written in and for new spellings to be stuck in.

*Any late spelling books will not have the new spellings stuck in.*

## Reading Eggs

All children will receive log-in details for Reading Eggs. If you joined our school last year, please continue to use your current login details.

## Maths Homework

If your child joined our school last year they already have a subscription to an online maths resource called 'Mathletics' which you have been given log-in details for. Please continue to use this. Access will last until October.

For those children who are new to our school we are in the process of setting up subscriptions to a very similar resource called Maths Seeds. Once log-in details have been sent to us we will print copies for each child. We will no longer be using Mathletics so all children will be given a Maths Seed subscription. Maths Seeds are the same company as Reading Eggs. Last Year Willow class trailed Maths Seeds in class and preferred it to Mathletics.

On Maths Seeds there are a number of maths games for children to play and class teachers will set maths homework on a Friday which will need to be completed by the following Thursday.

Children in RWI groups Red and above will begin to bring 'show-off' reads home. These will be sorted by your child's RWI group leader and do not go out on a set day each week. Inside the folder containing the show-off read book there will be a sheet detailing when it is due back in school.
