

# Willow Class

## Welcome to Year 1!

The theme for our first term is all about who we are.

It's called...

**'Me, me, me, me, me!'**

Our main line of inquiry is: Knowing how the human body works allows us to care for ourselves and others.

The children have asked questions about this line of inquiry and these will make up the basis of our learning journey this term.

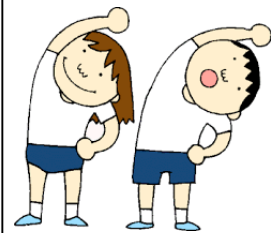

### Read Write Inc.

Over the first two weeks children will be assessed and put into groups for Read Write Inc. Year 1 children will continue to consolidate Set 1 and 2 sounds and work on their fluency as well as a range of other reading skills including comprehension. Children will also begin writing tasks in their RWI groups.

### PE

PE kits need to be in school every **Friday**. Children are welcome to keep them in school all of the time. Please ensure all items of clothing, including shoes, are named. This term we will focus on invasion games.

### Maths

Children will be focusing on number this term. They will learn to form numbers correctly, count forwards and backwards from a given number (0 to 100), write numbers to 10 in numerals and words. They will also learn to find 1 more and 1 less than a given number and represent numbers using objects and pictorial representations. They will begin to learn how to use a number line. Key maths vocabulary will include: equal to, more than, less than, fewer, most, least

### Computing

Children will be using iPads and Beebots this term. They will firstly learn about the importance of e-safety. After this they will use Beebots and iPad apps to learn about control, directional language and programming / coding.
