

Guitar and Piano Lessons

Tutor: Robert Sellery

E-mail: rsellery@live.co.uk

Lunchtime GUITAR and PIANO/KEYBOARD lessons are now available for your child.

Music is a great way to enrich the lives of young people and studies show that it will help to:

- Increase memory
- Teach perseverance
- Improve co-ordination
- Raise IQ
- Improve maths skills
- Improve reading and comprehension
- Create responsibility
- Expose the student to culture and history
- Nurture self expression
- Improve listening skills
- Improve social skills

Lessons will be 30 minutes and are offered with the choice of a one to one lesson, group of two or group of four. Parents can be in communication with the teacher who will give feedback on progress and offer advice on purchasing a suitable instrument.

Instruments will be available to use in school free of charge. Guitars can be rented and taken home for £5 per term or purchased for around £40 depending on the size.

Lesson pricing per 30 minutes:

One-to-one - £13

Group of two - £6.50

Group of four - £3.25

Lessons fees should be paid at least a half term in advance.

Please complete and return the attached booking form to register your interest in guitar or piano/keyboard lessons. These will take place during lunchtimes from 12:15 until 12:45 pm at Cherry Orchard Primary Academy or after school by arrangement at my home

Yours Sincerely,

Robert Sellery
