

COPTA Cherry Orchard Parent Teacher Association

Dear Parents/ Carers

Re: Halloween Disco - Thursday 21st October SAVE THE DATE

Volunteers from the original PTA are committed to organising an end of term Disco, whilst an Election of a new PTA Steering Group takes place.

This will be in the school hall on *Thursday 21st October* in two separate Key Stages because our school is growing:

KS1 from 3pm until 4:30 pm KS2 from 4:45 until 6:30pm

Further details will follow soon but tickets will be on sale in the school playground at pick up time - further details to follow. Tickets will cost £3.50 and this will include a hotdog (chicken or vegetarian) and snacks.

As mentioned at the recent coffee morning, the former members of the original PTA are desperate for new members to join their main steering group and are keen to relaunch the PTA as a new fundraising source for the school. Please support them by joining the steering group or, if you can only commit to volunteering for a few events, please provide your details on the attached form.

The PTA has been instrumental in the past for supporting your children by funding trips and events that would not normally have been possible, as well as specialist equipment for use at the school. Please support them as many hands make light work.

Thank you.

Kind Regards

coPTA
